### Course

This course is designed for students who have met the American Constitutional requirement with a course that includes no information about Nevada. It will include a brief history of Nevada prior to statehood, discussion of the Nevada Constitution, and analysis of the political, economic, and social characteristics of the state today. In so doing, we will study Nevada's position within the federal system, the institutions of state government, the main processes of decision-making, and the administration of those decisions. There are no prerequisites for this course. 1 Credit.

### Required Materials for the Course

Required text: Bowers, Michael. *The Sagebrush State: Nevada's History, Government, and Politics*, 2<sup>nd</sup> edition. 2002. Text.

You will be responsible for any videos, handouts, or reserve readings assigned throughout the semester.

### Grading

There will be 2 quizzes valued at 15 points each, a writing assignment worth 20 points, and a final exam valued at 50 points, for a total of 100 points. While student participation is not formally calculated into your final grade, students may improve their final score by ½ a letter grade (e.g., B+ to A- or A- to A) if the quality and quantity of their participation merits it.

### Quizzes

The quizzes will consist of multiple choice questions and/or true/false statements. Quizzes will cover the previous week's readings, lectures, videos, and any additional handouts/readings. **No make-ups will be given unless a legitimate excuse and adequate documentation are provided prior to the quiz that will be missed. In other words, plan on showing up for quizzes. All make-up quizzes will be given during the last regularly scheduled day of class, Friday, November 3rd. Students must provide their own scantrons for quizzes.**

### Writing Assignment

You are required to complete a brief writing assignment valued at 20 points. The topic of the assignment is a current event of your choice that pertains directly to the state of Nevada. Please cite two sources and include copies of the articles you cite with your paper. The paper should be 1-2 full pages double-spaced, Times New Roman font size 12, with 1 inch margins. In addition to the 1-2 typed pages, you will need to include a cover page and a bibliography/works cited page. You must use the MLA style guide for formatting the paper. This assignment is due on the 3<sup>rd</sup> week of class. No papers will be accepted via e-mail or other electronic format. Papers turned in after the 3<sup>rd</sup> week of class will not be graded.

**Grading of the writing assignment will be based on the following:**

- 1) Correct use of the MLA style guide, including cover page layout, bibliography/works cited, and citations (use footnotes or in-text citations).
- 2) Analysis, including presentation of opposing arguments and/or discussion of significance of chosen topic to current Nevada politics.
- 3) Attachment of 2 cited articles.
- 4) Grammar and style.
